

Constantine is committed to responsible mineral exploration and to supporting local jobs and businesses. We are excited about the 2019 summer field season at the Palmer Project in Southeast Alaska, a promising mid-stage mineral exploration project with the potential to become a future high-grade, underground copper-zinc-gold-silver-barite mine. Our field program provides an opportunity for exciting and rewarding teamwork in a professional outdoor environment.

JOB POSTING: CORE CUTTER

LOCATION: Near Haines, Alaska – Palmer Camp (7 ½ Mile, Porcupine Road); local workers are responsible for their own transportation

GENERAL DESCRIPTION:

- Use of gas powered masonry (rock) saw to cut drill core and prepare sample shipments
- Assist geologists and geotechnicians in the flow, transportation and storage of drill core
- All work is camp based

EDUCATION, SKILLS & EXPERIENCE:

- Ability to repetitively lift and carry 35-50 pounds
- Self-motivated with good attention to detailed procedures and safety requirements
- No experience necessary; previous use of power tools is an asset

MINIMUM AGE: 16

RATE: \$18–\$22 per hour, commensurate with experience

HOURS: Generally, 7:30 AM to 5 PM, part-time available, schedule varies with drill productivity

This position is temporary and seasonal, between late May and September. We thank all applicants for their interest, however, only those selected for an interview will be contacted.

This position closes **when filled**.
