

Constantine is committed to responsible mineral exploration and to supporting local jobs and businesses. We are excited about the 2019 summer field season at the Palmer Project in Southeast Alaska, a promising mid-stage mineral exploration project with the potential to become a future high-grade, underground copper-zinc-gold-silver-barite mine. Our field program provides an opportunity for exciting and rewarding teamwork in a professional outdoor environment.

JOB POSTING: MOUNTAINEER/CARPENTER

LOCATION: Near Haines, Alaska – Palmer Camp (7 ½ Mile, Porcupine Road); local workers are responsible for their own transportation

GENERAL DESCRIPTION:

- Work is mountain based. Being comfortable traversing in steep, rugged terrain is essential
- Assist with the building and reclamation of drill and helicopter platforms
- Work closely with a helicopter. Send and receive external sling loads
- Provide support to drill crews and safe access to drill rigs. Maintain pumps and run waterline
- Assist with geological and environmental field work
- A member of the first responder team

EDUCATION, SKILLS & EXPERIENCE:

- Experience and background in safety management
- Strong mountain hazard awareness and risk assessment skills
- Advanced first aid certification preferred, 16-hour first aid course minimum
- Strong foundation in residential or commercial construction
- Previous experience working in and around helicopters preferred
- Experience with chainsaws, power tools, and/or welding preferred

MINIMUM AGE: 18

RATE: \$250–\$350 per day, commensurate with experience.

HOURS: Local hires: 7 AM to 5 PM, on a variable schedule. Approx. 5 days on, 2 days off as needed.

Other hires: Approx. 3 weeks on, 1 week off rotation. Camp-based work.

This position is temporary and seasonal, between late May and September. We thank all applicants for their interest, however, only those selected for an interview will be contacted.

This position closes **April 19th, 2019 or when filled.**
