

Community Comment Form

A successful project, healthy ecosystem and vibrant community are all important to Constantine and our employees. Constantine is committed to sharing information and we encourage community participation as the Project continues to advance.

We strive to be accessible and provide open and honest communication of our plans. Equally important to Constantine is hearing from the local community. Understanding local values, ideas and information is critical for planning a successful project.

We Want to Hear From You!

Please share your comments, concerns, or ideas to help improve this project.

Name:

Phone:

Address:

Email:

Are you a resident of Haines or Klukwan ? Yes / No

*Please return comments to the office, by mail, or by email:
120 2nd Avenue or PO Box 315, Haines, Alaska 99827 or liz@constantinemetals.com*

Thank you for taking the time to share your thoughts with us! We will consider all comments in our project plans. Please call the office to book an appointment if you would like to discuss anything in further detail.

Stay Engaged!

Constantine has always been committed to meaningful discussion as the project advances. We will be reaching out to your local leaders and organizations to schedule update meetings over the winter. You can also stay informed and get involved by contacting us directly.
