

JOB POSTING: GEOTECHNICIAN

Location: At the Palmer Project camp near Haines, Alaska (7.5 Mile, Porcupine Road); room & board provided as needed.

Duration: Starting approximately late May through early to late September 2022

JOB RESPONSIBILITIES:

- Assist geologists with processing and handling drill core
- Geotechnical work with drill core, including measuring and photographing drill core, and data entry
- Potential to assist with geological, environmental, and geotechnical studies
- All work is camp based

QUALIFICATIONS:

- Ability to repetitively lift and carry 35-50 pounds
- Self-motivated with good attention to detailed procedures, and safety requirements
- No experience necessary; high-school diploma and post-secondary science credits are assets
- Proficient with common computer skills including spreadsheet use, database data entry, and email use
- Have a proactive, safety-driven mindset. Follow company safety and environmental standards, including COVID-19 mitigation protocols
- Must have valid first aid
- Must possess a current valid driver license and an acceptable driving record

MINIMUM AGE: 18

HOURS: Generally 7 AM to 5 PM, schedule varies with drill productivity

RATE: \$180-\$210 per day, commensurate with experience

This position is temporary and seasonal and will be posted until filled.

Qualified applicants interested in joining our dynamic team are encouraged to submit a cover letter and resume with **Geotechnician** in the subject line to:
