

## JOB POSTING: CORE CUTTER

**Location:** the Palmer Project camp near Haines, Alaska (7.5 Mile, Porcupine Road); room & board provided as needed.

**Duration:** Starting approximately late May through early to late September 2022

### JOB RESPONSIBILITIES:

- Use of gas-powered masonry (rock) saw to cut drill core and prepare sample shipments
- Assist geologists and geotechnicians in the flow, transportation, and storage of drill core
- All work is camp based

### QUALIFICATIONS:

- Ability to repetitively lift and carry 35-50 pounds
- Self-motivated with good attention to detailed procedures and safety requirements
- Have a proactive, safety-driven mindset. Follow company safety and environmental standards, including COVID-19 mitigation protocols
- No experience necessary; experience with power tools is an asset
- Must have valid first aid certificate

**MINIMUM AGE:** 18

**HOURS:** Generally 7 AM to 5 PM, schedule varies with drill productivity

**RATE:** \$180-\$210 per day, commensurate with experience.

This position is temporary and seasonal and will be posted until filled.

*Qualified applicants interested in joining our dynamic team are encouraged to submit a cover letter and resume with **Core Cutter** in the subject line to:*

**[careers@constantinemetals.com](mailto:careers@constantinemetals.com)**

Or visit **[constantinemetals.com/careers](https://constantinemetals.com/careers)** to fill out an online application.

*While we thank all candidates for their interest, only those selected for an interview will be contacted.*
