

Constantine is committed to responsible mineral exploration and supporting local jobs and businesses. We are excited about the 2021 summer field season at the Palmer Project, a promising mid-stage mineral exploration project with the potential to become a future high-grade, underground copper-zinc-silver-gold mine. Our field program provides an opportunity for exciting and rewarding teamwork in a professional outdoor environment.

JOB POSTING: FIELD TECHNICIAN

Location: Palmer Project – near Haines, Alaska (7 ½ Mile, Porcupine Road); local workers are responsible for their own transportation

Duration: Starting approx. late May through early to late September, 2021

JOB RESPONSIBILITIES:

- Assist in the construction of drill pads and waterline support
- Assist in environmental and geotechnical field survey support
- Conduct trail and road layout work; brushing and clearing
- Work is mountain based and may require traversing in steep, rugged terrain

QUALIFICATIONS:

- Strong mountain hazard awareness and risk assessment skills
- Mechanical aptitude with carpentry and chainsaw experience preferred
- Previous experience working in and around helicopters preferred
- Have a proactive, safety-driven mindset. Follow company safety and environmental standards, including COVID-19 mitigation protocols
- Must possess a current valid driver license and an acceptable driving record
- Valid first aid certificate

MINIMUM AGE: 18

RATE: \$180-\$350 per day, commensurate with experience

HOURS: generally, 7 AM to 5 PM, on a rotational schedule (5 days on, 2 days off) as needed

This position is temporary and seasonal. It is open until filled and has a start date of: *as soon as possible*.

*Qualified applicants interested in joining our dynamic team are encouraged to submit a cover letter and resume with **FIELD TECHNICIAN** in the email subject line to:*
